GYPSY ALMA GIRL- Beautiful dark bronze girl foliage, with blush reddish spot at base of the leaf which blends into the leaf making it rich in color. The flower is really a continuation of the beautiful foliage carrying the same coloring through the blossom. The lower petals are a pale orchid, the top petals shading deeper with a very deep tip, making the flower and the foliage a beautiful combination.

..... Price \$1.50 ea.

LACY GIRL- Dark blue lacy flower, the edge of the petals being crinkled, dark green wavy foliage. Outstanding in any collection. It's crisp heavy textured foliage makes it a problem to wrap. If your plant doesn't arrive in good condition, please take this into consideration and notify me, if your plant is damaged I will either refund your full purchasing price or replace the plant upon the return of the damaged plant..... Price \$1.00 each

OLD LAVENDER GIRL-The flower is a delicate lavender with a dark marking slightly fringed, lovely girl foliage, medium green semi miniature variety, profuse bloomer. This is one of my favorite varieties, as the appearance of the fine daintiness in the flower bring to my mind "Lavender and Old Lace" Don't confuse this with any other variety on the market by the same name ....\$1.00 each.

GENEVA RAINBOW- Very pretty and striking, reddish purple with white edge, sister to Lady Geneva.... \$1.50 each.
